The Canada Job Grant provides an opportunity for employers to invest in their workforce, with help from the government. M.AD School of Ideas is a recognized training provider. The Job Grant is available for our individual and custom programs and can offset up to 2/3 of the tuition fee.

For more information or to find out if your company qualifies for the Canada Job Grant, visit your provincial government page or contact info@adschool.ca and we will help guide you through the application process. Unfortunately, businesses registered in Quebec are not eligible for Training Grants with M.AD Toronto.
